WOODMEN OF THE WORLD

Fall Festival at Evansville, Ind.,
Sunday, Oct. 15

WAS A WHIRLWIND OF SUCCESS

The Woodmen of the World's Fall Festival which took place at Evansville, Ind., on Oct. 15, 1911, and which was pronounced a great success by the citizens of Evansville, was headed by Brigadier General W. E. Cady, Grand Marshal. There were between 15,000 and 20,000 visitors in Evansville this day to witness the Fall Festivities and the street cars were kept busy all day, carrying people to and from the magnificent Cook's Park where all of the attractions of the day were going on. The parade which was headed by the Klub Kentuck Band, of this city, and which was composed of seven other bands, started at Germania Hall on Fourth Street at 1 o'clock and thence to Cook's Park on Maryland Street. The parade lasted for about one hour and a half.

At the park the Uniform Ranks gave a competition drill for prizes as follows:

1st. prize	\$100 and Ribbon
2nd.	40 "
3rd.	30 "
4th.	20 "
5th.	10 "

The judges of the prizes were as follows: Major Blum, of Evansville, Ind.; Capt. A. J. Miller, of Mt. Vernon, Ind.; Lieut. M. A. Weisman, of Mt. Vernon. The excursions off all roads running into Evansville were packed and jammed with eager and enthusiastic spectators who were to witness the Fall Festivities. The trains began leaving about 12 o'clock. The L. & N. excursion carried about fifteen cars. All of them were loaded so as to make everything as comfortable as possible. The trip from start to finish was composed of an orderly crowd. The next Fall Festival will be held at Henderson, Ky.

For catalogue, address Draughon's Practical Business College, Nashville, Tenn., or Paducah, Ky., Evansville, Ind., or Washington, D. C.

Attention Gun Club

On and after next Thursday Oct. 19th, the gun club will meet at the old grounds, on Vineyard Hill, instead of the Rifle Range. All members are urged to be on hand at this shoot.

A Correction

The article in last week's Bee, in regard to a meeting of the directors of the Nortonville Coal & Coke Co. was an error. There were no officers elected at this meeting. Only a lot of routine work was done.

THE MONUMENT

To General John Hunt and His Men Will be Unveiled in Lexington on October 18th.

The unveiling of the monument erected to the memory of General John Hunt Morgan and His Men, which will be held in Lexington, Kentucky, on October the 18th. will be an event of wide-spread interest. This monument which is given by the United Daughters of the Confederacy has cost \$15,000 to produce and it stands, not only as a memorial to the great Confederate General, but also as a beautiful remembrance of the splendid efforts of these still more splendid women who have toiled faithfully in the work of raising the funds with which to defray the expenses of erecting the monument.

The unveiling ceremonies will be a fitting climax to the great convention of the United Daughters of the Confederacy which will be held in Lexington this coming week. The ceremonies are of a very elaborate character and include General Basil W. Duke and Mayor Otis Tenney, Master of Ceremonies, an invocation by the Rev. William T. Purcell, an address of welcome by Mayor John Skain, of Lexington, an address by Governor Augustus E. Willson, an address by the State President of the U. D. C., Mrs. L. McF. Blake, more, a prayer by the Reverend E. O. Guerrand, the benediction by the Rev. John R. Deering. Beside the above, the chief address of the occasion will be delivered by Dr. Guy Carleton Lee, of Baltimore, Md.

Immediately before the unveiling ceremonies, which will take place on the famous court house square where the monument has been erected, a session of the convention will be held in the Woodland Park Auditorium, and where a parade of magnificent proportions will be formed, including the members of Morgan's Men, Confederate Veterans, State officials of the United Confederate Veterans, the Monument Committee, Convention Delegates, the Governor and his staff.

This monument is an Equestrian Statue, said to be the finest of its character in existence to-day; it is the work of Signor Pompeo Coppini. It is cast in bronze and is placed upon an imposing pedestal of the choicest granite. General Morgan's brother pronounces the statue a remarkable likeness of the great general.

While Attending Church Friday Night

Mrs. Radie Peyton, a well-known resident of this place, had an attack of heart trouble Friday night while in church. She felt the attack coming and got up and started out, but before she left the building fell, some of her friends went to her and carried her to a neighbors house, two physicians were summoned. Both pronounced her in a very bad condition and say that there is but little hope for her recovery. She has suffered with her heart for some time. Her many friends hope for the best.

REVIVAL SERVICES AT M. E. CHURCH, SOUTH

Still Continues From Night to Night With Unabated Power

The revival services at the M. E. Church, South, are still holding the people in a wave of spiritual power. Rev. Wimberly, who is doing the preaching, is pointing the way of life in such clearness that any one can easily find the way of salvation if they so desire. Many are finding the Savior and many are concerned for their soul's welfare. The Spirit gives witness of His presence in the hearts of the congregation. The keynote of the meetings is spirituality. The sermons Saturday night on the "Unpardonable Sin," Sunday night on "The Judgment," and last evening on "The Sleep of Death," were especially fine. The entire spiritual life of the community is being built up, regardless of sect or denomination. About a score of conversions have resulted, four of them being girls at the Sunday afternoon children's meeting.

Bonus Vote day a Howling Success.

Barnes, Cowand & Co. gave with each purchase of Hose sold Saturday 250 and 500 Auto votes and the amount of Hose they sold was certainly wonderful. Editor Preacher Ties His First Matrimonial Knot

Dixon, Ky., Oct. 14.—The Rev. J. D. Raikes, editor and preacher, performed the first marriage ceremony of his life today. Rev. Raikes is editor of the Dixon Journal during the week and preaches on Sunday. He is a good fellow and quite a crowd of his fellow citizens gathered at the county clerk's office to see the newspaper parson tie his first nuptial knot. The boys say he did a fine job and tied that knot so tight that it will be impossible for the couple to ever get a divorce. The lucky persons were Charles Eastwood and Miss Elizabeth Tate, both of Sebree.

The man who whispers down a well

Will never reap a crop of dollars
Like he who climbs a tree and

Not to be out done by the "Boy Scouts" the "Girl Scouts" are now organizing, and will probably blaze trails to the various candy stores.

This is the time of year when the old fashioned girl use to put up preserves for the winter use. The modern girl has no time for this work. She is too busy preserving our institution by writing paper for the woman's club.

Bill Nye had the truth well told when he said: "A man may

use a wart on the back of his neck for a collar button, ride in the back coach of a railroad train to save interest on his money till the conductor gets around, stop his watch at night to save wear and tear, leave his "i" or "e" without a dot or cross to save ink, pasture his mother's grave to save corn, but a man of this sort is a gentleman and a scholar compared to the fellow that will take a newspaper two or three years and when asked to settle for it puts it into the postoffice and has it marked "refused."

ANSWER THE CALL

Earlington People Have Found That This is True.

A cold, a strain, a sudden wrench. A little cause may hurt the kidneys. Spells of backache often follow. Or some irregularity of the urine. A splendid remedy for such attacks. A medicine that has cured thousands. Is Doan's Kidney Pills, a true kidney remedy. Many Earlington people rely on it. Here is Earlington proof.

Mrs. H. C. Smith, Earlington, Ky. says: "I was afflicted with kidney trouble for years. I had severe pains in the small of my back and when ever I stooped or lifted, the attacks were particularly acute. I became tired easily, felt languid and was frequently troubled with headaches and spells of dizziness. I knew that my kidneys were disordered, as the kidney secretion were unnatural. Learning of Doan's Kidney Pills, I procured a supply and received relief from the time I began using them. The contents of two boxes cured. I shall recommend Doan's Kidney Pills at every opportunity."

GREATEST MEDICINE ON EARTH

A prominent citizen of Evansville, Ind., writes:—"I was ill for five months with a pulmonary trouble, and had the best of doctors. I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results." (Name furnished on request.)

We want every one in this vicinity who is troubled with chronic colds, coughs, or pulmonary troubles, to come and get a bottle of Vinol.

If it does not go to the seat of trouble, heal the inflammation and stop the cough, we will cheerfully refund every cent paid us for it. This shows our faith, and proves that you take no chances.
